Opinion

We have audited the financial statements of Modhumoti Bank PLC. (the "Bank"), which comprise the balance sheet as at 31 December 2023 and the profit and loss account, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of Material accounting policy information.

In our opinion, the accompanying financial statements of the Bank give a true and fair view of the Balance Sheet of the Bank as at 31 December 2023, and of its profit and loss account and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note 2.1.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Securities and Exchange Commission (BSEC) and Bangladesh Bank, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, on the other information obtained prior to the date of this audit report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the financial statements of the Bank in accordance with IFRSs as explained in note 2.01, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Bank or business
 activities within the Bank to express an opinion on the financial statements. We are responsible for the
 direction, supervision and performance of the Bank audit. We remain solely responsible for our audit
 opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994, the Bank Company Act, 1991 and the rules and regulations issued by Bangladesh Bank, we also report that:

- (i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- (ii) to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibility section in forming the above opinion on the financial statements of the Bank and considering the reports of the Management to Bangladesh Bank on antifraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the financial statements and internal control:

- a. internal audit, internal control and risk management arrangements of the Bank as disclosed in the financial statements appeared to be materially adequate;
- nothing has come to our attention regarding material instances of forgery or irregularity or administrative error and exception or anything detrimental committed by employees of the Bank and its related entities.
- (iii) in our opinion, proper books of accounts as required by law have been kept by the Bank so far as it appeared from our examination of those books;
- (iv) the records and statements submitted by the branches have been properly maintained in the financial statements;
- (v) the balance sheet and profit and loss account together with the annexed notes dealt with by the report are in agreement with the books of account and returns;
- (vi) the expenditures incurred were for the purpose of the Bank's business for the year;

mad farvog

- (vii) the financial statements of the Bank have been drawn up in conformity with prevailing rules, regulations and accounting standards as well as related guidance issued by Bangladesh Bank;
- (viii) adequate provisions have been made for advance and other assets which are in our opinion, doubtful of recovery;
- (ix) the information and explanations required by us have been received and found satisfactory;
- (x) we have reviewed over 80% of the risk weighted assets of the Bank and spent over 1,320 person hours; and
- (xi) Capital to Risk-weighted Asset Ratio (CRAR) as required by Bangladesh Bank has been maintained adequately during the year.

Notes to the Financial Statements As at and for the year ended 31 December 2023

1. Reporting entity

1.1 Legal status and nature of the Bank

Modhumoti Bank PLC. (the "Bank") is a scheduled commercial bank in the private sector established under the Bank Companies Act 1991 and incorporated in Bangladesh as a public limited company to carry out banking business in Bangladesh. The registered office of the Bank is located at Banglar Bani Bhaban, 81, Motijheel C/A, Dhaka-1000. The Bank has been running its banking operation following the Bank Companies Act 1991 (as amended up to the date), Central Bank's (Bangladesh Bank) regulation, Bangladesh Securities and Exchange Commission (BSEC) Rules & Regulations and all other laws & rules applicable in Bangladesh. The financial statements of the Bank as at and for the year ended December 31, 2023 provide financial information that is useful to existing and potential investors, borrowers, depositors, customers, creditors, regulators and other stakeholders to make their decision on banking & financial transactions, non-financial as well as compliance related issues.

1.2 Principal activities of the Bank

The Bank has 50 branches and 1 Off-shore Banking Unit as on 31 December 2023. The Bank offers services for all commercial banking needs of the customers, which includes deposit banking, loans and advances, export import financing, inland and international remittance facility, etc. The Bank is being run by a competent 'Management Team', under supervision of a strategic Board of Directors, having long sound background to serve the enterprises ranging from micro, small and medium enterprises and industries to large corporate houses keeping the tagline in mind, "Your Access to Success".

1.3 Off-shore Banking Unit (OBU)

The Bank obtained the Off-shore Banking Unit permission vide letter no. BRPD (P-3)744(124)/2015-2447, dated April 02, 2015. The Off-shore Banking Unit commenced its commercial operation on September 23, 2015. The Bank established its Offshore Banking Unit (OBU) with a view of catering the banking requirement of non-resident customers to increase foreign trade business at Export Processing Zones (EPZs). Over the years, OBU has become an important strategic business unit due to growing demand of cheaper foreign currency loan and Usance Payable at Sight (UPAS) Letter of Credit from the clients. The principal activities of the Unit are to provide all kinds of commercial banking services to its customers in foreign currencies approved by the Bangladesh Bank. Presently, the Bank has one Off-shore Banking Unit in operation in Bangladesh. The Unit is governed under the rules and guidelines of Bangladesh Bank.

2. Basis of preparation of Financial Statements

2.1 Statement of compliance

The financial statements of the Bank have been made for the year ended 31 December 2023 and are prepared under the historical cost basis, except for certain investments which are stated at fair/market value in accordance with the First Schedule (Sec-38) of the Bank Companies Act 1991 (as amended up to the date), BRPD Circular # 14 dated June 25, 2003 and DFIM Circular # 11, dated December 23, 2009, other Bangladesh Bank Circulars, International Accounting Standards ("IAS") and International Financial Reporting Standards ("IFRS"), the Companies Act 1994, the Securities and Exchange Rules 1987, Dhaka & Chittagong Stock Exchanges' listing regulations and other laws & rules applicable in Bangladesh. In cases where the requirements of Bangladesh Bank differ with those of IAS/IFRS, the requirements of Bangladesh Bank have been applied.

The Financial Reporting Act 2015 (FRA) was enacted in 2015. Under the FRA, there is a Financial Reporting Council (FRC) to adopt & issue financial reporting standards for public interest entities such as Banks. The Bank Companies Act 1991 has been amended to require Banks to prepare their financial statements under such financial reporting standards. The FRC has been formed but yet to issue any financial reporting standards as per the provisions of the FRA and hence International Financial Reporting Standards (IFRS) as issued by the Institute of Chartered Accountants of Bangladesh (ICAB) are still applicable.

Accordingly, the financial statements of the Bank continue to be prepared in accordance with International Financial Reporting Standards (IFRS) and the requirements of Bank Companies Act 1991, the rules and regulations issued by Bangladesh Bank, the Companies Act 1994, Securities and Exchange Rules 1987. In case, any requirement of the Bank Companies Act 1991, and provisions and circulars issued by Bangladesh Bank differ with those of IAS/IFRS, the requirements of the Bank Companies Act 1991, and provisions and circulars issued by Bangladesh Bank shall prevail.

2.1.2 Use of estimates and judgments

In preparation of the financial statements management is required to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a going concern basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

The most significant areas where estimates and judgments have been applied are to calculate provision for loans, advances and investments as per Bangladesh Bank guideline.

2.1.3 Foreign currency transaction

Foreign currency transactions are converted into equivalent BDT using the prevailing exchange rates on the dates of respective transactions as per IAS-21, "The Effects of Changes in Foreign Exchange Rates". Foreign currency balances held in US Dollar are converted into BDT at weighted average rate of inter-bank market as determined by Bangladesh Bank on the closing date of every month. Balances held in foreign currencies other than US Dollar are converted into equivalent US Dollar at buying rates of New York closing of the previous day and converted into equivalent BDT.

Assets and liabilities & income and expenses of Off-shore Banking Units have been converted into BDT currency @ US\$1 = Taka 109.7500 (closing rate as at 31st December 2023) & Taka 107.7241 (average rate at year-end).

Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these financial statements are translated at rates mentioned in contracts. Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in BDT terms at the rates of exchange prevailing on the balance sheet date.

Translation gains and losses

The resulting exchange transaction gains and losses are included in the profit and loss account.

2.1.4 Statement of cash flows

Statement of cash flows have been prepared in accordance with the BRPD Circular No. 14, dated June 25, 2003 issued by the Banking Regulation & Policy Department of Bangladesh Bank.

| Specific provision on bad / loss loans and advances / investments | 100% |

- e) Loans and advances / investments are written-off to the extent that (i) there is no realistic prospect of recovery, and (ii) against which legal cases are pending for more than five years as per guidelines of Bangladesh Bank. These write-off however will not undermine / affect the claim amount against the borrower. During the year no loan account has been written off from the loan book of the Bank.
- f) Amounts receivable on credit cards are included in advances to customers at the amounts expected to be recovered.

- g) General Provision has been calculated against all unclassified Credit Card loans under Consumer Financing as per Bangladesh Bank guideline.
- h) Provision for Short-term Agricultural and Micro-Credits as per Bangladesh Bank guideline.

2.2.3 Investments

All investment securities are initially recognised at cost, being fair value of the consideration given, including acquisition charges associated with the investment. Premiums are amortized and discounts accredited, using the effective yield method to discount income. The valuation method of investments used are:

Held to maturity (HTM)

Investments which have 'fixed or determinable payments', and are intended to be 'held to maturity', other than those that meet the definition of 'held at amortized cost-others' are classified as held to maturity.

Held for trading (HFT)

Investments classified in this category are acquired principally for the purpose of selling or repurchasing -in short-trading or if designated as such by the management. After initial recognition, investments are measured at fair value and any change in the fair value is recognised in the statement of income for the period in which it arises. These investments are subsequently revalued at current market value on weekly basis as per Bangladesh Bank Guideline. Revaluation gain has been shown in revaluation reserve account & revaluation loss has been shown in Profit & Loss account.

Value of investments has been enumerated as follows:

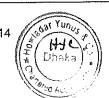

| Items | Applicable accounting value |
|-------------------------------|-----------------------------|
| Government treasury bills-HTM | Amortized value |
| Government treasury bills-HFT | Market value |
| Government treasury bonds-HTM | Amortized value |
| Government treasury bonds-HFT | Market value |
| Prize bond | At cost |

2.2.4 Property, plant and equipment

Property, plant & equipments are recognized if it is probable that future economic benefits associated with the assets will flow to the Bank and the cost of the assets can be reliably measured.

- a) All fixed assets are stated at cost less accumulated depreciation as per IAS-16 " Property, Plant and Equipment". The cost of acquisition of an asset comprises its purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use inclusive of inward freight, duties and non-refundable taxes.
- b) The Bank recognises, in the carrying amount of an item of property, plant and equipment, the cost of replacing part of such an item when that cost is incurred if it is probable that the future economic benefits embodied with the item will flow to the company and the cost of the item can be measured reliably. Expenditure incurred after the assets have been put into operation, such as repairs and maintenance, is normally charged off as revenue expenditure in the period in which it is incurred.
- c) Depreciation is charged for the year at the following rates on straight line depreciation method on all fixed assets is followed and no depreciation is charged on land:

| Category of fixed assets | Rate of depreciation |
|--------------------------|----------------------|
| Land | Nil |
| Buildings | 2.50% |
| Furniture and fixtures | 10% |
| Office equipments | 20% |
| Library books | 30% |
| Electrical equipments | 20% |
| Computer equipments | 20% |
| Motor Vehicles | 20% |

- d) For additions during the year, depreciation is charged for the remaining days of the year and for disposal depreciation is charged up to the date of disposal.
- e) On disposal of fixed assets, the cost and accumulated depreciation are eliminated from the fixed assets schedule and gain or loss on such disposal is reflected in the income statement, which is determined with reference to the net book value of the assets and net sale proceeds.
- f) Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset have been capitalized as part of the cost of the asset as per IAS-23.
- g) Leasehold properties are recorded at present value of minimum lease payments or fair market value, whichever is lower as per the provisions of IAS-17. The carrying value of leasehold properties is amortized over the remaining lease term or useful life of leasehold property, whichever is lower.

2,2.5 Intangible assets

- a) An intangible asset is recognized if it is probable that the future economic benefits that are attributable to the asset will flow to the entity and the cost of the assets can be measured reliably.
- b) Software represents the value of computer application software licensed for use of the Bank, other than software applied to the operation software system of computers. Intangible assets are carried at its cost, less accumulated amortization and any impairment losses.
- Initial cost comprises license fees paid at the time of purchase and other directly attributable expenditure that are incurred in customizing the software for its intended use.
- c) Expenditure incurred on software is capitalized only when it enhances and extends the economic benefits of computer software beyond their original specifications and lives and such cost is recognized as capital improvement and added to the original cost of software.
- d) Software is amortized using the straight line method over the estimated useful life of 10 (ten) years commencing from the date of the application. Software is available for use over the best estimate of its useful economic life.

2.2.6 Impairment of Assets:

The policy for all assets or cash-generating units for the purpose of assessing such assets for impairment is as follows:

The Bank assesses at the end of each reporting period or more frequently if events or changes in circumstances indicate that the carrying value of an asset may be impaired, whether there is any indication that an asset may be impaired. If any such indication exits, or when an annual impairment testing for an asset is required, the bank makes an estimate of the asset's recoverable amount. When the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset or cash-generating unit is considered as impaired and is written down to its recoverable amount by debiting to profit & loss account.

Fixed assets are reviewed for impairment whenever events or charges in circumstances indicate that the carrying amount of an asset may be impaired.

2.2.7 Other assets

Other assets include all balance sheet accounts not covered specifically in other areas of the supervisory activity and such accounts may be quite insignificant in the overall financial condition of the Bank.

2.2.8 Securities purchased under re-sale agreement

Securities purchased under re-sale agreements are treated as collateralized lending and recorded at the consideration paid and interest accrued thereon. The amount lent is shown as an asset either as loans and advances to customers or loans to other banks.

The difference between purchase price and re-sale price is treated as interest received and accrued evenly over the life of Repo agreement.

2.2.9 Receivables

Receivables are recognised when there is a contractual right to receive cash or another financial asset from another entity.

2.2.10 Inventories

Inventories are measured at the lower of cost and net realizable value.

2.2.11 Leases

IFRS 16 defines that a contract is (or contains) a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. IFRS 16 significantly changes how a lessee accounts for the transactions under operating leases.

Recognition & Measurement of Leases as a Leassee (detail accounting policy in Note 9)

Under IFRS 16, an entity shall be recognizing a Right-of-Use (ROU) Asset (i.e. the right to use the office building, branches, service center, call center, warehouse, etc.) and a corresponding lease liability. The asset and the liability are initially measured at the present value of unavoidable lease payments. The Depreciation on the ROU Assets and the Interest Expense on the lease liability is recognized in the Profit or Loss account over the lease term replacing the previous treatment as per IAS 17 i.e. charging 'lease rent expenses' under Operating Lease.

Accordingly, the Bank assesses whether a contract is a lease, in accordance with the guidance stated in the IFRS 16: Leases, by determining whether the contract gives it the right to use a specified underlying physical asset for a lease term greater than 12 months, unless the underlying asset is of low value. Office premises for which monthly lease rental is the amount not exceeding Taka 25,000, ATM Booths and other installations are considered as low value asset.

2.2.12 Non-banking assets:

Non-banking assets are acquired on account of the failure of a borrower to repay the loan on time after receiving the decree from the Court regarding the right and title of the mortgage property. The Banks are awarded ownership of the mortgage properties according to the verdict of the Honorable Court in accordance with the section 33 (7) of "Artharin Adalat-2003". The value of Non-Banking Assets are determined and reported in the financial statements on the basis of valuation report of an Independent valuer. The Modhumoti Bank PLC. is yet to acquire any non-banking asset till to the date of December 31, 2023.

2.2.13 Reconciliation of inter-bank and inter-branch account

Accounts with regard to inter-bank are reconciled regularly and there are no material differences which may affect the financial statements significantly. Un-reconciled entries / balances in the case of inter-branch transactions as on the reporting date are not material.

2.3 basis for valuation of liabilities and provisions

2.3.1 Borrowings from other banks, financial institutions and agents:

Borrowed funds include call money deposits, borrowings, re-finance borrowings and other term borrowings from banks, financial institutions and agents. These are stated in the balance sheet at amounts payable. Interest paid / payable on these borrowings is charged to the profit & loss account.

Disclosures of borrowings against Repo are shown in notes - 7.

2.3.2 Deposits and other accounts

Deposits by customers and banks are recognised when the Bank enters into contractual provisions of the arrangements with the counterparties, which is generally on trade date, and initially measured at the consideration received.

2.3.3 Other liabilities

Other liabilities comprise items such as provision for loans and advances/investments, provision for taxation, interest payable, interest suspense, accrued expenses, obligation under finance lease etc. Other liabilities are recognised in the balance sheet according to the guidelines of Bangladesh Bank, the Income Tax Ordinance 1984 and internal policy of the Bank. Details are shown in Notes 13.

2.3.4 Provision for liabilities

A provision is recognised in the balance sheet when the Bank has legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefit will be required to settle the obligations, in accordance with the IAS 37 "Provisions, Contingent Liabilities and Contingent Assets". Provision for loans and advances have been accounted for in the financial statements following the Bangladesh Bank circulars & guidelines.

2.3.5 Provision for Off-balance sheet exposures

Off-balance sheet items have been disclosed under contingent liabilities and other commitments as per Bangladesh Bank guidelines. As per BRPD Circular # 14, dated September 23, 2012, banks are advised to maintain provision @1% against off-balance sheet exposures. The instructions mentioned in the BRPD Circular # 07, dated June 21, 2018 and BRPD Circular # 13, dated October 18, 2018 have also been followed for calculating provision against off-balance sheet exposures.

2.3.6 Provision for nostro accounts

As per instructions contained in the circular letter no. FEPD (FEMO) / 01 / 2005-677 dated 13 September 2005 issued by Foreign Exchange Policy Department of Bangladesh Bank, provision is to be maintained for the unreconciled debit balance of nostro account more than 3 months as on the reporting date of these financials. Since there is no unreconciled entries which are outstanding more than 3 months, no provision is required to be maintained.

2.3.7 Provision for rebate to good borrowers

Previously commercial banks were required to maintain provision @10.0% of interest charged against loans to good borrowers, identified on the basis of prescribed guidelines stated in BRPD Circular no. 06 (19 March 2015) and BRPD Circular Letter no 03 (16 February 2016) for onward rebate to the recognized good borrowers. However, Bangladesh Bank during 2020 issued another circular (BRPD Circular No. 14 dated 18 June 2020), wherein it is mentioned that from 2020 banks need not to provide any rebate to good borrowers. Hence, during 2023, no further good borrowers' provision was accounted for in the financials.

2.3.8 Provision for climate risk fund

As per GBCSRD Circular No 04 (9 July 2015) issued by Bangladesh Bank, Banks are required to maintain a climate risk fund of 10% of the CSR budget. To comply with this requirement the Bank has kept provision in the financial statements for the year ended 31 December 2023.

2.3.9 Provision for current taxation

Provision for current income tax has been made as per prescribed rate in the Finance Act, 2023 on the accounting profit made by the Bank after considering some of the add backs to income and disallowances of expenditure as per income tax laws in compliance with IAS-12, "Income Taxes".

2,3.10 Deferred taxation

Deferred tax is accounted for in accordance with IAS 12, "Income Taxes". Deferred tax is recognized on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and are accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences, unused tax losses or unused tax credits can be utilized. Such assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the company intends to settle its current tax assets and liabilities on a net basis.

2.3.11 Benefits to the employees

The retirement benefits accrued for the employees of the Bank as on reporting date have been accounted for in accordance with the provisions of International Accounting Standard-19, "Employee Benefit". Bases of enumerating the retirement benefit schemes operated by the Bank are outlined below:

a) Provident fund

Provident fund benefits are given to the permanent employees of the Bank in accordance with Bank's service rules. Accordingly a trust deed and provident fund rules were prepared. The Commissioner of Income Tax, National Board of Revenue, Dhaka has approved the Provident Fund as a recognized provident fund within the meaning of section 2(52), read with the provisions of part - B of the First Schedule of Income Tax Ordinance 1984. The recognition took effect from June 04, 2013. The Fund is operated by a Board of Trustees consisting six members (03 members from the Management and other 03 members from the Board of Directors) of the Bank. All confirmed employees of the Bank are contributing 10% of their basic salary as subscription to the Fund. The Bank also contributes equal amount of the employees' contribution. Interest earned from the investments is credited to the members' account on yearly basis.

b) Gratuity fund

The Bank operates a funded gratuity scheme on "Continuing Fund basis", in respect of which provision will be made annually according to the recommendation based on Actuarial valuation covering all of its permanent eligible employees in accordance with Bank's Service Rules. The Fund will be operating by a Board of Trustees consisting members from the Board of Directors and Management of the Bank. Actuarial valuation of gratuity scheme will be made to assess the adequacy of the liabilities provided for the scheme as per IAS-19 "Employees Benefit". Contributions to the fund shall be made on the basis of actuarial recommendations.

Recognition of Gratuity fund has been done by the National Board of Revenue vide their letter number 08.01.0000.035.02.264.19/603 dated January 16, 2020 and actuarial valuation for assessing the adequacy of liabilities of the fund is under process which will be completed within a short time.

c) Incentive bonus

Incentive bonus is given to the employees every year considering the overall performance of the Bank as well as individual's performance. This bonus amount is distributed among the employees based on their performance. The bonus amount is paid annually, normally in first quarter of every following year and the costs is accounted for in the period to which it relates. Generally, a certain percentage of disclosed net profit is disbursed among the employees. The aforesaid percentage is approved in the Board meeting so that adequate provision can be made for Incentive Bonus as per IAS-37.

2.3.12 Start-up Fund

In compliance with Bangladesh Bank SMESPD Circular no.-04, dated 29 March, 2021; Modhumoti Bank PLC. has formed start-up fund in order to facilitate innovations for marketing new products, services and technologies, and such enterprises would create employment and assets in the country.

2.4 **Share Capital**

Ordinary shares are classified as equity when there is no contractual obligation to transfer cash or other financial assets.

2.4.1 Authorised Capital

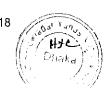

Authorised capital is the maximum amount of share capital that the Bank is authorised by its Memorandum and Articles of Association. Details are shown in note 14.1.

2.4.2 Paid up Capital

Paid up capital represents total amount of shareholders' capital that has been paid in full by the ordinary shareholders. Holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to vote at shareholders' meetings. In the event of winding-up of the Bank, ordinary shareholders are ranked after all other shareholders and creditors and are fully entitled to any residual proceeds of liquidation. Details are shown in note 14.2.

2.4.3 Statutory Reserve

As per Bank Companies Act, the Bank requires to transfer 20% of its current year's profit before tax to statutory reserve until such reserve equals to its paid up capital. The Bank does comply with this requirement of law every year.

2.4.4 Revaluation reserve on government securities

When an asset's carrying amount is increased as a result of revaluation, the increased amount is credited directly to equity under the Head of Revaluation Surplus. Revaluation reserve arises from the revaluation of land and buildings as well as the revaluation of Treasury bills and bonds (HFT & HTM) in accordance with the DOS circular no. 5 dated 26 May 2008 and DOS(SR) 1153/120/2010 dated 8 December 2010. The Bank has not yet recognized any revaluation surplus against any kind of its fixed assets till to the balance sheet date. The tax effect on revaluation gain is measured and recognised in the financial statements as per IAS 12: Income Taxes.

2.5 Contingent liabilities

A contingent liability is -

A possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or A present obligation that arises from past events but is not recognised because:

- a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- b) the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recognised but disclosed in the financial statements unless the possibility of an outflow of resources embodying economic benefits is reliably estimated.

2.6 Revenue recognition

2.6.1 Interest income

In terms of the provisions of the IAS-18 "Revenue", the interest income is recognised on accrual basis. Interest on unclassified loans and advances are calculated at the prescribed rates to be taken into income. Interest is ceased to be taken into income when such loans and advances are marked as classified as per criteria prescribed by the Bangladesh Bank. It is then kept in interest suspense account. Interest on classified advances is accounted for on a cash receipt basis.

2.6.2 Investment income

Interest income on investments is recognised on accrual basis. Capital gain on investments in shares is also included in investment income. Capital gain is recognised when it is realised.

2.6.3 Fees and commission income

Fees and commission income arising on services provided by the Bank are recognised when those are realized. Commission charged to customers on letters of credit and letters of guarantee is credited to income at the time of transactions being recorded in the books of accounts.

2.6.4 Income on Bills Purchased and Discounted

Income on Bills Purchased and Discounted is recognised upon realisation since there is no uncertainty as to its realisation and accrued on a monthly basis

2.6.5 Interest and fees receivable on credit cards

Interest and fees receivable on credit cards are recognised on an accrual basis. Interest and fees cease to be taken into income when the recovery of interest and fees is in arrear for three months. Thereafter, interest and fees are accounted for on realisation basis.

2.6.6 Dividend income on shares

Dividend income on shares is recognised during the period when right to receive is established.

2.6.7 Interest paid and other expenses

In terms of the provisions of IAS-1 "Presentation of Financial Statements", interest and other expenses are recognised on accrual basis.

2.6.8 Dividend payments

Interim dividend is recognised when they are paid to shareholders. Final dividend is recognized when it is approved by the shareholders.

The proposed dividend for the year 2023 has not been recognized as a liability in the balance sheet in accordance with the IAS-10: Events After the Reporting Period.

Dividend payable to the Bank's shareholders is recognized as a liability and deducted from the shareholders' equity in the period in which the shareholders' right to receive payment is established.

2.7 Risk management

Risk and return are inversely related. Making perfect balance between these two aspects is a classical predicament to successful growth of a business. The role of risk management started from this point which actually is the process of identification, assessment, and prioritization of risks followed by coordinated and economical application of resources to minimize, monitor, and control the probability and/or impact of uncertain events or to maximize the realization of opportunities.

The MANCOM, All Risk Committee (Management Level), Credit Evaluation Committee (CEC), Asset Liability Management Committee (ALCO), Supervisory Review Process (SRP) Team and IASel Unit (Supervisory Committee) comprising Executive and Senior Management, are high level management committees responsible for the overall management of the risk profile of the Bank. In view of core risk guidelines, the bank has established various divisions/units to address specific risk, e.g. credit risk management, credit administration, internal control & compliance, anti- money laundering, ICT, treasury division etc. Further to manage the overall risks of the Bank in line with Basel accords, the Bank has formed a dedicated a Risk Management Division (RMD).

The Bank faces a number of risks stemming from credit risk, liquidity risk, market risk, foreign exchange risk, interest rate risk, equity price risk, operational risk, legal risk and also reputation risk. The risk management systems in place at the Bank are discussed below:

2.7.1 Credit risk

Credit risk is the risk of loss that may occur from the default of any counterparty to repay in accordance with agreed terms and conditions and/or deterioration of creditworthiness. The failure may result from unwillingness of the counter party or decline in his / her financial condition. Therefore, the Bank's credit risk management activities have been designed to address all these issues.

A methodical assessment & due diligence are done before sanction of any credit facility at Credit Risk Management Division of the Bank. The risk assessment includes borrower risk analysis, financial analysis, industry analysis, historical performance of the customer, security of the proposed credit facilities and various critical risk factors. The assessment process starts at Branch Credit department by the Officer and ends at Credit Risk Management Division in Head Office where it is approved / declined by the competent authority. Credit approval authority has been partially delegated to the individual executives. Proposal beyond their delegation are approved / declined by the Board / Executive Committee (EC) of the Board.

Credit Administration (CAD) monitors the documentation aspects of approved credits and also manages the deteriorating accounts as there is no Legal & Recovery Unit yet in the Bank.

All other remaining risk in regards to credit portfolio are addressed by the Risk Management Division (RMD), the primary responsibility of this Division is to identify and assess the severity of risks and highlight the same to the management for strategic decision making in regard to Residual Risk (documentation risk, valuation error etc.) and concentration risk etc.

2.7.2 Foreign Exchange Risk

Foreign exchange risk is the exposure of an institution to the potential impact of movements in foreign exchange rates. The risk is that adverse fluctuations in exchange rates may result in a loss in earnings. As per the guidelines of Bangladesh Bank, Modhumoti Bank PLC. has developed a detailed Foreign Exchange Risk Management policies to minimize different types of risks associated with foreign exchange transactions. The Bank has also developed different strategies to handle foreign exchange risk by setting different types of limits and risk parameters to measure and monitor foreign exchange risk exposure of the Bank.

The foreign exchange desk of treasury division is involved in foreign exchange dealing activities with different counterparts; the treasury back office is engaged in transfer of funds and passing of the transaction entries in the books of accounts, and the mid office is responsible for verification of the deals. All foreign exchange transactions are revalued at market rate as per the directive of Bangladesh Bank. All Nostro Accounts are reconciled on a monthly basis and outstanding entries beyond 30 days are reviewed by the management for its settlement.

2.7.3 Asset Liability Management

Responsibility of managing and controlling liquidity of the bank lies with Asset Liability Committee (ALCO) that meets at least once in a month. Asset Liability Management (ALM) desk being primarily responsible for management of liquidity risk closely monitors and controls liquidity requirements on a daily basis by appropriate coordination of funding activities. A monthly projection of fund flows is reviewed in ALCO meeting regularly. On monthly basis, ALCO monitors liquidity management by examining key ratios, maximum cumulative outflow, upcoming funding requirement from all business units, asset-liability mismatch etc.

Asset-Liability Committee (ALCO) reviews country's overall economic position, the Bank's liquidity position, key performance ratios, interest rate risk, deposit and advance growth, cost of deposit & yield on advances, deposit & lending pricing strategy and different forecasted balance sheet risks of the Bank.

By strongly monitoring the maturity GAP of assets and liabilities and interest rates movement, Bank is able to maintain optimum liquidity with required regulatory compliances. A policy guideline on Assets Liability Management is formulated and approved by the Board of Directors of the Bank and revise it from time to time.

2.7.4 Money Laundering Risk

The bank has board approved 'Money Laundering and Terrorist Financing Risk Management Guidelines' to prevent the money laundering and terrorist financing risk of the Bank. For mitigating the risks, the Bank has a designated Chief Anti Money Laundering Compliance Officer (CAMLCO) and Deputy Anti Money Laundering Compliance Officer (De-CAMLCO) at Head Office and Branch Anti Money Laundering Compliance Officer (BMALCO) in the Branches, who independently review the transactions of the accounts to verify suspicious transactions. Training is continuously given to all category of Officers and Executives for developing awareness and skill for identifying suspicious activities / transactions.

The CAMLCO, De-CMALCO and BAMLCO ensures the reporting of Suspicious Transactions Reports (STR), and ensure AML & CFT compliance culture throughout the bank.

2.7.5 Internal Control & Compliance Risk

Internal control is the process, effected by the Board of Directors, Management & other personnel designed to provide reasonable assurance regarding the achievement of objectives with effectiveness & efficiency of operations. It encompasses all controls incorporated into the strategic, governance and management processes, covering the bank's entire range of activities and operations, and not just those directly related to financial operations and reporting. Its scope is not confined to those aspects of a business that could broadly be defined as compliance matters, but extends also to the performance aspects of a business.

Modhumoti Bank PLC. has established a System of Internal Control, which is designed to manage all the risks of failure to a reasonable level, achieve aims and objectives/goals of the Bank and this System provides reasonable assurance of effective & efficient operations covering all controls including financial & operational controls, reliability of the financial information, compliance with applicable laws & regulations, adherence to management policies, safeguarding of Bank's Assets, prevention & detection of fraud & errors, and accuracy & completeness of the accounting records.

2.7.6 Information and communication technology

With the increasing use of Information and Communication Technology in the activities of the Banks, risk management for Information and Communication Technology has become important. ICT Division is aimed to provide uninterrupted & efficient operations of all products, services and deliverables – Banks already offered or intends to do in future. In banking institutions, all risks should be recognized, addressed and managed in a prudent manner according to the fundamental characteristics and challenges. ICT risk is the risk associated with the use, ownership, operation, involvement, influence and adoption of ICT within an organization. Risks surrounding Information Technology, such as unauthorized access to a system, network failure, software failure, lack of skills, hacking, viruses attack and poor system integration poses threat for the organization. ICT risk of the Bank is addressed by finding out the weakness in a particular operation and initiating appropriate/ suitable strategy within the approved policies and procedures. To assist Risk Management Committee of Board of Directors, ICT Risk Management committee has been formed from Management team on 07th Sep. 2016 vide Office Order# HO/HRD/2016/1072 as per guideline of Bangladesh Bank.

MMBL has a comprehensive ICT Security Policy and procedures which are formally documented and approved by the Board of Directors of the Bank. The Bank follows the bottom-up approach that has been proven helpful in developing a set of relevant and important risk scenarios as followings:

2.7.7 Liquidity risk

The objective of liquidity risk management is to ensure that all foreseeable funding commitments and deposit withdrawals can be met when due. To this end, the Bank is maintaining a diversified and stable funding balance comprising of core retail and corporate deposits and institutional balance. Management of liquidity and funding is carried out by Treasury Department under approved policy guidelines. Treasury front office is supported by a very structured Mid office and Back office. The Liquidity management is monitored by the Asset Liability Committee (ALCO) on a regular basis. A written contingency plan is in place to manage extreme situation.

2.7.8 Market risk

The exposure of market risk of the Bank is restricted to foreign exchange risk, interest rate risk and equity risk.

Foreign exchange risk

Foreign exchange risk is defined as the potential change in earnings due to change in market prices. The foreign exchange risk of the Bank is minimal as all the transactions are carried out on behalf of the customers against underlying L/C commitments and other remittance requirements. No foreign exchange dealing on Bank's account was conducted during the year.

Treasury Department independently conducts the transactions and the back office of treasury is responsible for verification of the deals and passing of their entries in the books of account. All foreign exchange transactions are revalued at Mark-to-Market rate as determined by Bangladesh Bank at the month-end. All Nostro accounts are reconciled on a monthly basis and outstanding entry beyond 30 days is reviewed by the management for its settlement. The position maintained by the bank at the end of day was within the stipulated limit prescribed by the Bangladesh Bank.

Interest rate risk

Interest rate risk may arise either from trading portfolio or non-trading portfolio. The trading portfolio of the Bank consists of Government treasury bills held for trading. The short-term movement in interest rate is negligible or nil. Interest rate risk of non-trading business arises from mismatches between the future yield of an asset and its funding cost. The Asset Liability Committee (ALCO) monitors the interest rate movement on a regular basis.

Equity risk

Equity risk arises from movement in market value of equities held. The risks are monitored by the Investment Committee under a well designed policy framework.

2.7.9 Reputation risk arising from money laundering incidents

Money laundering risk is defined as the loss of reputation and expenses incurred as penalty for being negligent in prevention of money laundering. For mitigating the risks, the Bank has a designated Chief Compliance Officer at Head Office and Compliance Officers at branches, who independently review the transactions of the accounts to verify suspicious transactions. Manuals for prevention of money laundering have been established and transaction profile has been introduced. Training is continuously given to all category of Officers and Executives for developing awareness and skill for identifying suspicious activities / transactions.

2.7.10 Operational risk

Operational risk may arise from error and fraud due to lack of internal control and compliance. Management through Internal Control and Compliance Division controls operational procedure of the Bank. Internal Control and Compliance Division undertakes periodical and special audit of the Branches and Divisions at the Head Office for review of the operation and compliance of statutory requirements. The Audit Committee of the Board subsequently reviews the reports of the Internal Control and Compliance Division.

RISK MITIGATION PROCESS

Risk mitigation involves prioritizing, evaluating, and implementing the appropriate risk-reducing controls recommended from the risk assessment process. Risk mitigation is a systematic methodology used by senior management to reduce mission risk. Risk mitigation can be achieved through any of the following risk mitigation options:

Risk Assumption: To accept the potential risk and continue operating the IT system or to implement controls to lower the risk to an acceptable level.

Risk Avoidance: To avoid the risk by eliminating the risk cause and/or consequence (e.g., forgo certain functions of the system or shut down the system when risks are identified)

Risk Limitation: To limit the risk by implementing controls that minimize the adverse impact of a threat's exercising vulnerability (e.g., use of supporting, preventive, detective controls)

Risk Planning: To manage risk by developing risk mitigation plan that prioritizes, implements, and maintains controls

Research and Acknowledgment: To lower the risk of loss by acknowledging the vulnerability or flaw and researching controls to correct the vulnerability

Risk Transference: To transfer the risk by using other options to compensate for the loss, such as purchasing insurance.

Risk mitigation strategy was articulated in the following rules-

Option-1: When vulnerability (or flaw, weakness) exists, implement assurance techniques to reduce the likelihood of vulnerability's being exercised.

Option-2: When vulnerability can be exercised, apply layered protections, architectural designs, and administrative controls to minimize the risk of or prevent this occurrence.

Option-3: When the attacker's cost is less than the potential gain, apply protections to decrease an attacker's motivation by increasing the attacker's cost (e.g., use of system controls such as limiting what a system user can access and do can significantly reduce an attacker's gain).

Option-4: When loss is too great, apply design principles, architectural designs, and technical and non-technical protections to limit the extent of the attack, thereby reducing the potential for loss.

2.8 Earnings per share

Basic earnings per share

Basic earnings per share is calculated in accordance with IAS 33 "Earnings per Share" and is shown on the face of the profit and loss account. This has been calculated by dividing the IAS earnings by the weighted average number of ordinary shares outstanding during the year.

Diluted earnings per share

Diluted earnings per share is not required to be calculated for the year as there was no scope for dilution during the year under review.

2.9 Events after the reporting period

Where necessary, all the material events after the reporting period have been considered and appropriate adjustment / disclosures have been made in the financial statements.

The Bank has changed its name from "Modhumoti Bank Limited" to "Modhumoti Bank PLC." as per decision of the shareholders in their Extra-Ordinary General Meeting held on July 29, 2023. The relevant approval from Registrar of Joint Stock Companies & Firms (RJSC) has been received on October 08, 2023, following which Bangladesh Bank has accorded approval with effect from January 28, 2024, i.e after the reporting date.

2.10 Memorandum items

Memorandum items are maintained to have control over all items of importance and for such transactions where the Bank has only a business responsibility and no legal commitment. Bills for collection, savings certificates, wage earners bonds etc. fall under the memorandum items. However, Bills for Collection is shown under contingent liabilities as per Bangladesh Bank's format of reporting.

2.11 Related party transaction

Related party transaction is a transfer of resources, services or obligation between related parties, regardless of whether a price is charged. Detail of related parties transaction are given in note- 37.

2.12 IFRS 16 Leases

IFRS 16, issued in January 2016 replaces existing guidance related to lease transactions and effective for reporting period beginning on or after 1 January 2019. IFRS 16 'Leases' replaces IAS 17 'Leases' along with three Interpretations (IFRIC 4 'Determining whether an Arrangement contains a Lease', SIC 15 'Operating Leases-Incentives' and SIC 27 'Evaluating the Substance of Transactions Involving the Legal Form of a Lease'). It will result in almost all leases being recognised on the balance sheet, as the distinction between operating and finance leases is removed. Under the new standard, an asset (the right to use the leased item) and a financial liability to pay rentals are recognised. The only exceptions are short-term and low-value leases. Interest expense on lease liability and depreciation on ROU assets are charged in the Profit and Loss Account. Detail accounting policy is stated in note no. 9.

| 1 January 2024 | Disclosures for sustainability and climate-related risks based on IFRS S1 and IFRS S2 will be implemented in phases starting in 2024. |
| | IFRS S1 General Requirements for Disclosure of Sustainability-related Financial |
| | Information. |
| | IFRS S2 Climate-related Disclosures. |

There are no other standards that are yet to be effective and that would be expected to have a material impact on the Bank's financial statements in the current or future reporting periods and on foreseeable future transactions.

3.2 Departures from IAS/IFRS

The financial statements of the Bank as at and for the year ended 31 December 2023 have been prepared under the historical cost convention except investments and in accordance with the "First Schedule" (section 38) of the Bank Companies Act 1991, as amended by Bangladesh Bank (the Central Bank of Bangladesh) through BRPD Circular No. 14 dated 25 June 2003, other Bangladesh Bank Circulars, International Financial Reporting Standards (IFRSs), the Companies Act 1994, the Securities and Exchange Rules 1987 and Dhaka & Chittagong Stock Exchange's listing regulations. In case, any requirement of provisions and circulars issued by Bangladesh Bank differs with those of other regulatory authorities, the provisions and circulars issued by Bangladesh Bank shall prevail. Material departures from the requirements of IFRS/IFRS are stated as under:

i) Investment in shares and Securities

IFRS: As per requirements of IFRS 9, classification and measurement of investment in shares and securities will depend on how these are managed (the entity's business model) and their contractual cash flow characteristics. Based on these factors it would generally fall either under "at fair value through profit or loss account" or under "at fair value through other comprehensive income" where any change in fair value (as measured in accordance with IFRS 13) at the year end is taken to profit and loss account or other comprehensive income respectively.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, investments in quoted shares and unquoted shares are revalued at the year end at market price and as per book value of last audited balance sheet respectively. Provision should be made for any loss arising from diminution in value of investment; otherwise investments are recognized at costs.

ii) Revaluation gain/loss on Government securities

IFRS: As per requirement of IFRS 9 where securities will fall under the category of fair value through profit or loss account, any change in the fair value of assets is recognised through the profit and loss account. Securities designated as amortised cost are measured at effective interest rate method and interest income is recognised through the profit and loss account.

T-bills and T-bonds designated as 'held to maturity' are measured at amortized cost method and interest income is recognized through the profit & loss account.

Bangladesh Bank: HFT securities are revalued on the basis of mark to market and at year end any gains on revaluation of securities which have not matured as at the balance sheet date are recognised in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortisation of discount are recognised in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortised at the year end and gains or losses on amortisation are recognised in other reserve as a part of equity.

iii) Provision on loans and advances

IFRS: As per IFRS 9 an entity shall recognise an impairment allowance on loans and advances based on expected credit losses. At each reporting date, an entity shall measure the impairment allowance for loans and advances at an amount equal to the lifetime expected credit losses if the credit risk on these loans and advances has increased significantly since initial recognition whether assessed on an individual or collective basis considering all reasonable information, including that which is forward-looking. For those loans and advances for which the credit risk has not increased significantly since initial recognition, at each reporting date, an entity shall measure the impairment allowance at an amount equal to 12 month expected credit losses that may result from default events on such loans and advances that are possible within 12 months after reporting date.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 June 2012, a general provision at 0.25% to 5% under different categories of unclassified loans (good/standard loans) has to be maintained regardless of objective evidence of impairment. Also provision for sub-standard loan, doubtful loans and bad losses has to be provided at 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Again as per BRPD circular no. 14 dated 23 September 2012, a general provision at 1% is required to be provided for all off-balance sheet exposures. Such provision policies are not specifically in line with those prescribed by IFRS 9.

iv) Recognition of interest in suspense

IFRS: Loans and advances to customers are generally classified at amortised cost as per IFRS 9 and interest income is recognised by using the effective interest rate method to the gross carrying amount over the term of the loan. Once a loan subsequently becomes credit-impaired, the entity shall apply the effective interest rate to the amortised cost of these loans and advances.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, once a loan is classified, interest on such loans are not allowed to be recognised as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as 'liability' in the Balance Sheet.

v) Other comprehensive income

IFRS: As per IAS 1, Other Comprehensive Income is a component of financial statements or the elements of Other Comprehensive Income are to be included in a Single Other Comprehensive Income (OCI) Statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements which will strictly be followed by all Banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income or the elements of Other Comprehensive Income allowed to include in a Single Other Comprehensive Income (OCI) Statement. As such the Bank does not prepare the other comprehensive income statement. However elements of OCI, if any, are shown in the statements of changes in equity.

vi) Financial instruments – presentation and disclosure

In several cases Bangladesh Bank guidelines categorize, recognize, measure and present financial instruments differently from those prescribed in IFRS 9. As such some disclosure and presentation requirements of IFRS 7 and IAS 32 cannot be made in the financial statements.

vii) Repo and Reverse Repo transactions

IFRS: As per IFRS 9 when an entity sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo), the arrangement is treated as a loan and the underlying asset continues to be recognised at amortised cost in the entitys financial statements. The difference between selling price and repurchase price will be treated as interest expense. The same rule applies to the opposite side of the transaction (reverse repo).

Bangladesh Bank: As per DOS Circular letter no. 6 dated 15 July 2010 and subsequent clarification in DOS circular no.2 dated 23 January 2013, when a bank sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo or stock lending), the arrangement is accounted for as a normal sales transactions and the financial assets are derecognized in the seller's book and recognized in the buyer's book. However, as per DMD circular letter no.7 dated 29 July 2012, non primary dealer banks are eligible to participate in the Assured Liquidity Support (ALS) programme, whereby such banks may enter collaterallised repo arrangements with Bangladesh Bank. Here the selling bank accounts for the arrangement as a loan, thereby continuing to recognise the asset.

viii) Financial guarantees

IFRS: As per IFRS 9, financial guarantees are contracts that require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtors fails to make payment when due in accordance with the original or modified terms of a debt instrument. 3.3 Disclosure of FRC Policy on Use of Audited Financial Statements in Processing Loans

Audited Financial Statements are mandatory documents for any existing company applying for new loan facility for the first from bank. The bank uses the Audited Financial Statements while assessing any new credit / Loan facilities to any new customers. In compliance with BRPD Circular Letter No. 04, dated January 04, 2021, the bank obtained audited financial statements while approving any new loan. It is also mandatory to the client of the bank to submit annual audited financial statements of the company to the bank on an annual basis. Audited Financial Statements are preserved with the loan file by the bank. However, in some special circumstances where latest Audited Financial Statements may not be available, the bank uses interim Management Accounts for the Borrower Risk Rating (BRR) or ICRR for the purpose of renewal of any loan facilities. Such BRR or ICRR is approved by the Management only for Interim use with an instruction to update the same with the Audited Financial Statements. Regarding the BRPD Circular Letter 35 dated July 06, 2021, and FRC Letter No. 178/FRC/APR/2021/27(28) dated December 8, 2021, From September 2021 the Bank verifying the Financial Statements using the Document Verification System (DVS).

3.4 The Bank's compliance with related pronouncements by Bangladesh Bank:

i) Internal Control

Main objective of internal control is to ensure that management has reasonable assurance on some issues such as (i) operations are effective, efficient and aligned with strategy, (ii) financial reporting and management information is reliable, complete and timely accessible, (iii) the entity is in compliance with applicable laws and regulations as well as its internal policies and ethical values including sustainability, and (iv) assets of the company are safeguarded and frauds & errors are prevented or detected.

Modhumoti Bank PLC. has established an effective internal control system to ensure the overall control of risks and provide reasonable assurance that the objectives set by the Bank will be met. It has designed to develop a high level risk culture among the Bank officials, establish efficient and qualified operating model of the Bank, ensure reliability of internal and external information including accounting and financial information, secure the Bank's operations and assets, and comply with laws, regulatory requirements and internal policies.

The Board of Directors of Modhumoti Bank PLC., through its Audit Committee, periodically reviews the effectiveness of Bank's internal control system covering all the material controls, including financial, operational and compliance controls, risk management systems, the adequacy of resources, qualifications and experience of staff of the accounting and financial reporting function, training programs, budget, etc. Audit Committee of the Board reviews the actions taken on internal control issues identified by the Internal & External Auditors and Regulatory Authorities. It has active oversight on the internal audit's independence, scope of work and resources and it also reviews the functions of Internal Control & Compliance Division (ICCD) of Head Office, particularly the scope of the annual audit plan and frequency of the internal audit activities.

ii) Internal Audit

Internal Audit Mechanism is used as an important element to ensure good governance of Modhumoti Bank PLC. Internal Audit is the continuous and systematic process of examining and reporting on the activities of an organization undertaken by the specially assigned staff(s). They assure the Bank management that the Internal Controls are adequate and in operations, the policies and systems laid down are being adhered to and accounting records provided by the lower level are correct. Bank's internal audit Activities are effective and provide senior management with a number of important services. These include detecting and preventing fraud, testing internal control, and monitoring compliance with own policies & procedures, applicable rules & regulations, instructions/guidelines of regulatory authority etc.

During the year 2023, ICCD conducted inspection on many of the Branches and Divisions of Head Office of the Bank and submitted reports presenting the findings of the audits/ inspections. Necessary control measures and corrective actions have been taken on the suggestions or observations made in these reports. The reports or key points of the Reports have also been discussed in the meetings of the Audit Committee of the Board and necessary steps have been taken according to the decision of the said Committee for correct functioning of Internal Controls & Compliance.

iii) Fraud and Forgeries

The term 'fraud' commonly includes activities such as theft, corruption, conspiracy, embezzlement, money laundering, bribery and extortion. The increasing wave of fraud and forgery cases in the banking sector of Bangladesh in recent time calls for concerted steps in identifying ways for reducing or preventing frauds and forgeries by analyzing the causes and effect of frauds and forgeries, and prescribing effective control strategies for salvaging frauds. Modhumoti Bank PLC. does always pay due attention on anti-fraud internal controls for prevention of fraud and forgery. The Bank has already implemented some strategies like Financial Control Strategy, Personnel Control Strategy, Credit Control Strategy, Administrative Control strategy, Process Control Strategy etc. in order to strengthening the control system further. Pre-employment screening process has been adopted for verifying the qualification, experience, cerdit check, criminal history search etc. in case of recruitment of officials. Although it is not possible to eliminate all frauds because of the inherent limitations of Internal Control System, the Board of Directors and Bank Management have taken all the measures to keep the operational risk in a very minimum level. Internal Control and Compliance Division (ICCD) assesses and evaluates the effectiveness of Bank's anti-fraud internal control measures, recommends for further improvement in implementation of aforesaid strategies and reports to the Bangladesh Bank on effectiveness of controls at the end of each quarter following their prescribed format.

3.5 Operating segments

The Bank have no identified operating segment and as such presentation of segmental reporting is not made in the financial statements as per IFRS 8.

Leased Assets:

Accounting Policy:

The Bank assesses whether a contract is a lease, in accordance with the guidance stated in the IFRS 16: Leases, by determining whether the contract gives it the right to use a specified underlying physical asset for a lease term greater than 12 months, unless the underlying asset is of low value. Office premises for which monthly lease rental is the amount not exceeding Taka 25,000, ATM Booths and other installations are considered as low value asset.

Where the Bank is a lessee and the lease is deemed in scope, it recognizes a liability equal to the present value of lease payments over the lease term, discounted using the incremental borrowing rate applicable in the economic environment of the lease. It is considered as 5%. The liability is recognized in 'Other liabilities'. A corresponding right-of-use (ROU) Asset equal to the liability, adjusted for any lease payments made at or before the commencement date, is recognized in 'Property, plant and equipment'. The lease term includes any extension options contained in the contract that the Bank is reasonably certain, it will exercise.

The Bank subsequently depreciates the right-of-use (ROU) asset using the straight-line method over the lease term and measures the lease liability using the effective interest method. Depreciation of the asset is recognized in 'Depreciation and amortization', and interest on the lease liability is recognized in 'Interest expense'.

The judgements in determining lease balances are the determination of whether the Bank is reasonably certain that it will exercise extension options present in lease contracts. On initial recognition, the Bank considers a range of characteristics such as premises function, conditions mentioned in the lease contracts and the term remaining on the lease to determine whether it is reasonably certain that a contractual right to extend a lease will be exercised.

Existing lease liabilities may change in future periods due to changes in assumptions or decisions to exercise lease renewal or termination options, changes in payments due to renegotiations of market rental rates as permitted by those contracts and changes to payments due to rent being contractually linked to an inflation index. In general, the remeasurement of a lease liability under these circumstances leads to an equal change to the right-of-use asset balance, with no immediate effect on the income statement.

Prior period information is not restated, i.e. it is presented, as previously reported, under IAS 17 and related interpretations in which the Bank as lessee recognized lease payments in operating expenses on a straight-line basis.

The total rental expense during the year 2023 for premises leases was Taka 168,917,144 out of which Taka 167,013,157 has been presented in accordance with the IFRS 16: Leases and remaining Taka 1,903,987 is presented as stated above as per IAS 17. Reconciliation of rental expense has been presented in Note 26.1 for detail.

The right-of-use asset balances and depreciation charges are disclosed in Note 9 & Note 31 respectively. The lease liability balance is disclosed in Note 13 and the interest expense on lease liabilities is disclosed in Note 21.

Any Bank with a Common Equity Tier 1 (CET 1) Capital ratio below 7% is required to conserve a certain percentage of its earnings in the subsequent year. In that case, a restriction is imposed on dividend payout as stated in the Basel III guideline. Above Calculation reveals that CET 1 ratio of Modhumoti Bank PLC. (14.17%) is well above the required level.

Segment Reporting

IFRS 8 Operating Segments, requires particular classes of entities (essentially those with publicly traded securities) to disclose information about their operating segments, products and services, the geographical areas in which they operate, and their major customers.

An operating segment is a component of an entity that engages in business activities from which it may earn revenues and incur expenses (including revenues and expenses relating to transactions with other components of the same entity), or whose operating results are reviewed regularly by the entity's chief decision maker to make decisions about resources to be allocated to the segment and assess its performance, and, for which discrete financial information is available. IFRS 8 requires an entity to report financial and descriptive information about its reportable segments who have earned at least 10% revenue compared to the entity's total revenue, or, earned at least 10% profit/ (loss) compared to cumulative profit/ (loss), or, have at least 10% assets compared to total assets of all operating segments.

The Bank has not yet assessed its Operating Segments in terms of the criteria stated above as it is too early to identify. But, operating profit, assets & liabilities of main two operating segments i.e. on-shore banking business (main operation) and off-shore banking unit (OBU) are presented below:

Off-shore Banking Unit

Notes to the Financial Statements
As at and for the year ended 31 December 2023

1. Reporting entity

1.1 Status of the units

The Bank obtained the Off-shore Banking Unit permission vide letter no. BRPD (P-3)744(124)/2015-2447, dated 02 April 2015. The Off-shore Banking Unit commenced its commercial operation on 23 September 2015. The Bank established its Offshore Banking Unit (OBU) with a view of catering the banking requirement of non-resident customers to increase foreign trade business at Export Processing Zones (EPZs). Over the years, OBU has become an important strategic business unit due to growing demand of cheaper foreign currency loan and Usance Payable at Sight (UPAS) Letter of Credit (L/C) from the clients.

1.1.1 Principal activities

Presently, the Bank has one Off-shore Banking Unit operating in Bangladesh. The principal activities of the Unit are to provide all kinds of commercial banking services to its customers in foreign currencies approved by the Bangladesh Bank. The Unit is governed under the rules and guidelines of Bangladesh Bank.

1.2 Significant accounting policies and basis of preparation of financial statements

1.2.1 Basis of accounting

The Off-shore Banking Unit maintains its accounting records in USD from which accounts are prepared according to the Bank Companies Act, 1991 (as amended in 2013), International Financial Reporting Standards and other applicable directives issued by Bangladesh Bank.

1.2.2 Use of estimates and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may difer from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

1.2.3 Foreign currency transaction

a) Foreign currencies translation

Foreign currency transactions are converted into equivalent Taka using the ruling exchange rates on the dates of respective transactions as per IAS-21 "The Efects of Changes in Foreign Exchange Rates". Foreign currency balances held in US Dollar are converted into Taka at weighted average rate of inter-bank market as determined by Bangladesh Bank on the closing date of every month. Balances held in foreign currencies other than US Dollar are converted into equivalent US Dollar at buying rates of New York closing of the previous day and converted into Taka equivalent.

b) Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these financial statements are translated at contracted rates. Contingent liabilities / commitments for letter of credit and letter of guarantee denominated in foreign currencies are expressed in Taka terms at the rates of exchange ruling on the balance date.

c) Translation gains and losses

The resulting exchange transaction gains and losses are included in the profit and loss account.

1.2.4 Cash flow statement

Cash flow statement has been prepared in accordance with the International Accounting Standard-7 "Cash Flow Statement" under direct method as recommended in the BRPD Circular No. 14, dated June 25, 2003 issued by the Banking Regulation & Policy Department (BRPD) of Bangladesh Bank.

1.2.5 Reporting period

These financial statements cover one calendar year from 1st January to 31st December 2023.

1.3 Assets and basis of their valuation

1.3.1 Cash and cash equivalents

Cash and cash equivalents include notes and coins on hand, unrestricted balances held with Bangladesh Bank and highly liquid financial assets which are subject to insignificant risk of changes in their fair value, and are used by the unit management for its short-term commitments.

1.3.2 Loans, advances and lease / investments

- a) Loans and advances are stated in the balance sheet on gross basis.
- b) Interest is calculated on a daily product basis but charged and accounted for on accrual basis. Interest is not charged on bad and loss loans as per guidelines of Bangladesh Bank. Records of such interest amounts are kept in separate memorandum accounts.

1.3.3 Fixed assets and depreciation

- a) All fixed assets are stated at cost less accumulated depreciation as per IAS-16 " Property, Plant and Equipment". The cost of acquisition of an asset comprises its purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use inclusive of inward freight, duties and non-refundable taxes.
- b) Depreciation is charged for the year at the following rates on reducing balance method on all fixed assets.

| Category of fixed assets | Rate of |
|--------------------------|---------|
| Furniture and fixtures | 10% |
| Office equipments | 20% |

c) For additions during the year, depreciation is charged for the remaining days of the year and for disposal depreciation is charged up to the date of disposal.

1.4 Basis for valuation of liabilities and provisions

1.4.1 Benefits to the employees

The retirement benefits accrued for the employees of the Unit as on reporting date have been accounted for in accordance with the provisions of International Accounting Standard-19, "Employee Benefit". Bases of enumerating the retirement benefit schemes operated by the Bank are outlined below:

a) Provident fund

Provident fund benefits are given to the permanent employees of OBU under the provident fund rule of the Bank. The Commissioner of Income Tax, National Board of Revenue, Dhaka has approved the Provident Fund as a recognized provident fund within the meaning of section 2(52), read with the provisions of part - B of the First Schedule of Income Tax Ordinance 1984. The recognition took effect from June 04, 2013. The Fund is operated by a Board of Trustees consisting six members (03 members from management and other 03 members from the Board of Directors) of the Bank. All confirmed employees of the Unit are contributing 10% of their basic salary as subscription to the Fund. The Unit also contributes equal amount of the employees' contribution. Interest earned from the investments is credited to the members' account on yearly basis.

b) Gratuity fund

The Bank operates a funded gratuity scheme on "Continuing Fund Basis", in respect of which provision will be made annually according to the recommendation based on Actuarial valuation covering all its permanent eligible employees in accordance with Bank's Service Rules. The Fund will be operating by a Board of Trustees consisting members from the Board of Directors and Management of the Bank. Actuarial valuation of gratuity scheme will be made to assess the adequacy of the liabilities provided for the scheme as per IAS-19 "Employees Benefit". Contributions to the fund shall be made by the Unit on the basis of actuarial recommendations.

c) Incentive bonus

Incentive bonus is given to the employees every year considering the overall performance of the Bank as well as individual's performance. This bonus amount is distributed among the employees based on their performance. The bonus amount is paid annually, normally first quarter of every following year and the costs is accounted for in the period to which it relates. Generally, a certain percentage of disclosed net profit is disbursed among the employees. The aforesaid percentage is approved in the Board meeting so that adequate provision can be made for Incentive Bonus as per IAS-37.

1.4.2 Provision for liabilities

A provision is recognized in the balance sheet when the unit has a legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefit will be required to settle the obligations, in accordance with the IAS 37 "Provisions, Contingent Liabilities and Contingent Assets".

1.5 Revenue recognition

1.5.1 Interest income

In terms of the provisions of the IAS-18 "Revenue", the interest income is recognised on accrual basis.

1.5.2 Fees and commission income

Fees and commission income arising on services provided by the Bank are recognised when those are realized. Commission charged to customers on letters of credit and letters of guarantee is credited to income at the time of transactions being recorded in the books of accounts.

1.5.3 Interest paid and other expenses

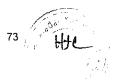

In terms of the provisions of BAS-1 "Presentation of Financial Statements", interest and other expenses are recognised on accrual basis.

2.00 General
